Re: Carla Bray, Harpist

The University Achievement Awards and the Faculty Retirement Luncheon are grand successes with Carla Bray's captivating harp in attendance. For a number of years, we have asked Carla Bray to play at these two major annual faculty events. Her harp music is wonderfully dualistic -- calming and exciting, ancient and hip, and charming and provocative. From Beatles to Bach, Ms. Bray's repertoire is on point no matter what the occasion.

I am delighted to recommend Ms Bray because we have been pleased with her performance at every event in which she performs.

Sincerely,
